DETAILED ACTION

Rejections and/or objections necessitated by the amendments

Claim Rejections - 35 USC § 112

Claim 10 is rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. The original disclosure does not appear to teach the covering having an opening **through the covering and above a portion of the first trench.**

Rejections and/or objections as previously applied

Claim Rejections - 35 USC § 102

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 10 and 16 as taught are rejected under 35 U.S.C. 102(e) as being anticipated by Nishida et al. (US patent 6,461,934).

With respect to claims 10 and 16 as taught, Nishida et al. teach the invention as claimed. **See the contents of the office action dated 09/12/05.**

Claim Rejections - 35 USC § 103

Claims 11, 17, and 18 are rejected under 35 U.S.C. 103(a) as being unpatentable over Nishida et al. (US patent 6,461,934) in combination with Wen et al. (US patent 5,460,987).

With respect to claims 11, 17, and 18, Nishida et al. in combination with Wen et al. teach the invention as claimed. **See the contents of the office action dated 09/12/05.**

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
